

“人工智能+”是 高校思政课的“协同者”

The image displays multiple overlapping copies of the magazine "Shen Xue Dao Zhe" (Science Guide), published by Shanxi Education Publishing House. The covers are arranged diagonally, showing various headlines and articles. Key headlines include:

- 开发区建设** (Development Zone Construction): A headline on the top right cover.
- 智慧"新"愿景 "绿动"新未来** (New Vision of Wisdom "Green Movement" New Future): A headline on the middle cover.
- 煤炭周刊** (Coal Weekly): A headline on the middle right cover.
- 生态山西** (Ecological Shanxi): A headline on the bottom middle cover.
- 科技的力量 院士专家高峰论坛在晋举办** (The Power of Technology: Academician and Expert Summit Forum Held in Shanxi): A headline on the bottom left cover.
- 矢志创新 智启未来** (Dedicated to Innovation, Wisdom Starts the Future): A headline on the bottom left cover.

The magazine covers feature a mix of text, images, and graphics, including a large illustration of people working together on the bottom left cover. The overall theme is science, technology, and innovation.
